Rules and Information

Thank you for participation in our Annual Summer Volleyball Tournament. The following is a list of information and general rules of the tournament.

Each team captain is responsible for its team members. It is the responsibility of the team captain to control behavior by its team members that is deemed unruly or out of control.

The team captain is also responsible to get its team to the court to be ready to play within 10 minutes or being told that they should be ready by Cadillac Sands Staff. If the full team is not on the court when ready to start, it will forfeit the game.

This is a double elimination tournament. Games will be played to 21 with each serve resulting in a point scored. The team that wins 2 out of 3 games will win the match and will advance in the bracket. The team that loses the match will go to the next bracket as determined.

Referee calls are final. (When Applicable)

Each team captain and team member must sign a waiver and release form before playing.

Please remember that although we have many teams competing in this tournament, it is ALL FOR FUN.
